

Believe and Achieve

We aim to be an inclusive, caring school where we give everyone the time and support needed to challenge and guide one another - to open minds and widen horizons - to work together towards the flourishing of all members of our school community so that everyone can fulfil their potential.

If you believe, you will receive
whatever you ask for in prayer.
Matthew 21:22

Claypole Church of England Primary School NEWSLETTER

Welcome To Our School

Dear Parent/Carer,

We are delighted to welcome you and your child/children here at Claypole Church of England Primary School. We look forward to working closely with you over the coming years to ensure that your child really enjoys their time with us and achieves their very best.

Every child deserves the best possible start in life and the support that enables them to fulfil their potential. Children develop quickly in the early years and a child's experiences between birth and age five have a major impact on their future life chances. A secure, safe and happy childhood is important in its own right. Good parenting and high-quality early learning together provide the foundation children need to make the most of their abilities and talents as they grow up.

The Early Years Foundation Stage (EYFS) sets the standards that all Early Years' providers must meet to ensure that children learn and develop well and are kept healthy and safe. It promotes teaching and learning to ensure children's 'school readiness' and gives children the broad range of knowledge and skills that provide the right foundation for good future progress through school life.

We value the potential of home-school links and make every effort to involve families in the learning and development of children. Over the coming months we will be inviting you in for a meeting and arranging visits for your child as it's really important that you and your child get to know us before starting full time. I will write back to you with our planned transition dates & events.

Our EYFS team will also be arranging visits to meet the children in their current nursery settings (or at home if they're not in nursery). If you have any queries in the meantime, please email adminoffice@claypoleprimary.org

Thank you for choosing Claypole Church of England Primary School for your child. We look forward to begin working with you very soon.

Best wishes,

Everyone from the Claypole C.E Primary School Team.

Caterpillar Music Sessions

This year, Caterpillar Music Newark have been hosting their classes from our school on a Wednesday morning each week. Our EYFS children have also enjoyed sessions with Caterpillar Music; it's been a great for their Early Learning Goals... and the children love it! We are planning to continue hosting Caterpillar Music in school so if any children are joining us in September, it would be a lovely additional transition opportunity for them. If you're interested, to book your space, visit: www.caterpillarmusic.com/class-leaders/anna-coggan

Keeping In Touch

We will write to regularly to share reminders of the transition events coming up; and we will share 'top tips' and advice on how to 'get ready for school' – compiled by the staff and our PTFA.

As a father of three children myself, I know how quickly the time goes and how much I appreciate being kept in the loop with events/information from my children's school.
