

Safeguarding at Claypole CE Primary School

At Claypole CE Primary School we are committed to providing the highest level of safeguarding for all of our children.

If you witness first-hand, or are told, anything that concerns you regarding the safeguarding and welfare of pupils - either in or out of school hours - or online, please report it immediately to either the Designated Safeguarding Lead (DSL) or their Deputy. Both of these staff members have had specific Safeguarding training and can give guidance on any concerns or questions you may have.
