

Remember you can complete this challenge by volunteering both in, and outside of school! You could volunteer in school by helping at a club or event, but you could also gain your hours by:

- Helping around the house
- Helping at a community club, such as rainbows, brownies, cubs or scouts
- Supporting your teacher in school. If you are a Playground Leader or on the school council make sure you include these hours!

**Task** - Complete 10 hours of volunteering by helping at school, at home or a community club you go to.

**Hints and Tips** - Use the table below to record the number of hours volunteering you complete and then attach it to your legacy logbook. Don't forget to ask an adult who saw you volunteering to sign your sheet too! He / she could be your teacher, coach or parent / guardian, for example.

Date	What did you do?	How long?	Signature
Example 16/09/13	Helped my netball coach train the under 9's in high 5 netball at Fenland Netball Club, Grantham	1 hour
