

# Going to school in Lincolnshire guide 2026

## Applying for a primary or junior school place

This guide provides supporting information when applying for a school place in Lincolnshire.

### Application process

You should apply for a primary or junior school place if your child:

- is born between 1 September 2021 and 31 August 2022
- is in Year 2 at an infant school and will require a place in Year 3 at a junior or primary school
- is in Year 2 at a primary school and you want a place in Year 3 at a junior school

As the admission authority, we must provide for the admission of all children in the September following their fourth birthday. We process these applications on the basis that most children will start school at the same time.

Children can start school at any time until they reach the compulsory school age. This is the term after the child turns five. For example, a child born in November will be compulsory school age in January.

You can request:

- to delay your child's start date until later in the academic year but not after they reach compulsory school age
- your child takes up their place part-time until they reach compulsory school age

If you intend to delay starting school, you should discuss it with the school. The school will not hold the place if your child does not start within that academic year.

If you delay your child's start until the following academic year, you will need to re-apply for a place. You need to complete an in-year application during the summer term before starting school. The class may be full at this point, so any delay should be carefully considered.

Deferring admission to school is not the same as attending school out of normal school year group. Information on attending school out of normal school year group is detailed later in this guide.

By law, every child must be in education at the start of the term after their fifth birthday.

## **When to apply for a primary or junior school place**

The dates when you can apply for a school place are:

- 17 November 2025 to 15 January 2026
- Re-opens 17 April 2026 to 16 May 2026

However, we may accept late applications and changes until 12 noon on 12 February 2026. After that deadline, we cannot process any new or change any existing applications. If an application is received after this time, it will be processed after national offer day.

Other local authorities may not operate an extended deadline. If you apply to schools outside Lincolnshire, that local authority decides whether to accept a late application.

Details on how to apply are given later in this guide.

## **How to apply**

You must apply through your home local authority. You can list any school in any local authority on the application.

You can apply online at [www.lincolnshire.gov.uk/parentportal](http://www.lincolnshire.gov.uk/parentportal), by phone, or by requesting a paper form (telephone 01522 782030). Apply using one method only.

You will receive an email if you apply online and enter a valid email address. This email will confirm your preferences and state that your application is being considered.

If you apply by phone and provide a valid email address, you will receive confirmation of your application by email.

If you cannot provide a valid email address, we will send you a confirmation letter by post. You must then verify the details and return it to us.

## **Co-ordinated scheme**

A co-ordinated scheme details how applications will be processed. The schemes for Lincolnshire are published on our website.

## **Parental preference**

On the application form you can list up to three preferred schools, and we strongly recommend you do this. However, you are not guaranteed a place at a preferred school.

Consider the schools you list and how places are offered. Schools must outline in their admissions policy how they will offer places.

School offers are made in line with the school's admission policy, which includes their oversubscription criteria. When considering applying for a place at a school, you should read

their full admissions policy. These can be found on the school's website. Oversubscription criteria are also listed later in this guide or on our find a school search at [www.lincolnshire.gov.uk/find-school](http://www.lincolnshire.gov.uk/find-school).

When considering which schools to list on your application, you may wish to consider:

- How far away you live from each school, including your nearest school. You can search for your nearest school on our school finder at [www.lincolnshire.gov.uk/find-nearest-school](http://www.lincolnshire.gov.uk/find-nearest-school).
- How you would get your child to school
- The likelihood of being offered a place at the schools you list. The school's oversubscription criteria will be used if the school is oversubscribed.
- Visiting the schools or finding more information about the school's ethos from the website.
- You are no more likely to be offered your first preference if you list one, two or three schools on your application. The schools do not see where they are listed on your application when they rank the students against the oversubscription criteria. We only use the order of preference to decide which place to offer if more than one school can offer a place.
- The type of schools available.
- Places are allocated to children who express a preference for a school before other children. We will offer the nearest school to your home address that has an available place in your child's year group if none of your preferred schools can offer a place and you live in Lincolnshire.
- You may wish to list your closest school on your application.
- Eligibility for school transport

If your child is of compulsory school age, they will get free school transport if they:

- live in Lincolnshire
- attend a school within the designated transport area (DTA) for their home address
- attend a school nearer to their home address than the DTA school
- attend a school we allocate because there were no places in nearer schools and, live:
  - more than two miles away (primary school)
  - more than three miles away (secondary school)
- If you live in a town, transport will only be provided to the nearest school, subject to the distance criteria above.

More information can be found at:

[www.lincolnshire.gov.uk/school-college-transport/apply-free-school-transport](http://www.lincolnshire.gov.uk/school-college-transport/apply-free-school-transport).

## **Children with an Education, Health and Care Plan**

There is a different procedure for children with an Education, Health and Care Plan (EHCP). If your child has an EHCP, you should speak to your child's caseworker or current school. A school admissions appeal panel cannot grant a place to a child with an EHCP.

Children with special educational needs or disabilities but do not have an Education, Health and Care Plan (EHCP) should apply in the usual way.

## **Foreign nationals**

Foreign national children resident in the UK usually have the right to attend state-funded and independent schools in England. To lawfully enter the country to access a school, foreign national children resident outside the UK will normally need either:

- a right of abode
- an immigration status which otherwise permits them to enter the UK to study at a school

Parents of foreign national children must check that their children have a right to study at a school before applying for a place. You can check UK entry conditions at [www.gov.uk/check-uk-visa](http://www.gov.uk/check-uk-visa). It is not the role of state-funded schools or local authorities to ask for proof of eligibility before offering a place.

Read further advice from the government on school applications for foreign national children and children resident outside England at [www.gov.uk/guidance/schools-admissions-applications-from-overseas-children](http://www.gov.uk/guidance/schools-admissions-applications-from-overseas-children).

Applications for those living overseas will be processed based on the child's current address until the child is resident in the county.

## **Armed forces personnel and returning crown servants**

The military covenant aims to remove any disadvantage that service personnel and crown servants' families may face from military life.

This applies if the parent is a current serving member of the UK armed forces or is a crown servant returning from abroad.

We will co-ordinate applications if the family has either:

- A confirmed posting order or official letter with a unit or quartering address within Lincolnshire.
- A confirmed posting order to the UK and confirmed address in Lincolnshire. They must be returning to the address before the end of October of the admitting year. The address accepted for implementing the oversubscription criteria may differ, as each school's policy will be followed.

If the move is not due to an official posting, you should apply to the child's current home local authority. To do this, you must reside in the UK.

If the move is due to an official posting, you will need to:

- note this on your application form

- provide evidence

Those with a posting order can usually use an intended address before moving for the school's oversubscription criteria. You must provide some evidence of the intended address, but the policy does differ per school. A parent may request that we use a unit or quartering address as the child's home address when we are considering the application.

Sometimes none of the schools listed on the application form can offer a place. Depending on where the accepted address on the application is:

- address in Lincolnshire - we will offer the closest Lincolnshire school, with a place in the year group required.
- address not in Lincolnshire - no alternative school will be offered. It is for the child's home local authority to offer an alternative placement.

We work not to disadvantage families of service personnel who apply after the initial allocation of places has occurred (late applicants). We will approach the schools listed on the application if an official posting has been provided. We will ask the school whether they wish to offer a place to the child, even if the published admissions number has been met or the class is full.

Offer decisions will be made by the individual admissions authorities concerned. They will be in line with their admissions procedures for forces applicants and will be clearly communicated to parents. In all cases, if a place is refused, parents will be notified of their right of appeal.

Please contact us if you would like further information about forces moves and how applications will be considered.

Sometimes a current serving member of the armed forces without a posting order will make an application. In these cases, their current address will be used to process the application against the school's oversubscription criteria.

## **Transferring from nursery schools**

Transfer to reception will not happen automatically. You will need to apply for a place in reception. There is no guarantee that your child will be offered a place at the school where your child attends nursery.

Attending a school nursery or attached playgroup does not guarantee a place at a school. Parents must apply for a place in Reception in line with the timescales and places will be offered in accordance with the school's oversubscription criteria.

## **Types of schools**

Schools have different bodies that make decisions about a school's policy and admitting pupils. This will depend on their type of school. The responsible body is known as the 'admissions authority.'

### **Community and controlled schools**

Lincolnshire County Council (LCC), as the local authority, is the admission authority for these schools. We make decisions about the policy used for school admissions. These schools use the LCC admissions policies.

### **Academy schools**

Academies receive funding directly from the government and are usually run by an academy trust. They have more control over how they do things than community schools, which are guided by the local authority. OfSTED inspects academies. They must follow the same rules on admissions, special educational needs and exclusions as other state schools. Students sit the same exams. Academies can set their own admissions policies and term dates.

### **Voluntary aided schools and foundation schools**

We, as the local authority, fund foundation and voluntary schools. They have more freedom to change the way they do things. Sometimes they are supported by representatives from religious groups. The admissions authority for these schools is usually the school's governing body.

### **Free schools**

These are schools set up by non-profit agencies and set their own policies. They operate in a similar way to an academy school regarding school admissions.

## **Home address**

You should apply from the address where your child lives for the majority of school term time. Children of UK service personnel and other crown servants have slightly different rules. They can use an address in advance of a move in some cases.

The school's admissions policy provides a definition of 'home address'. This differs from school to school. You must look at this carefully if you have non-traditional living arrangements. If you need any advice, please contact us or the school.

We have a duty to prevent fraudulent applications and will always look at an address closely. This is one of the biggest factors in deciding which school is allocated. We will not accept a new address claim if it is not received by the deadline for receiving applications.

## Moving address

You must inform us if you have submitted an application and your child moves address. We can only take into consideration a new address if:

- your child will be living there by 12 noon on 12 February 2026
- you have notified us that you moved before the deadline
- we have received the appropriate proof of residency

If you are new to Lincolnshire, or want to change preferred schools, you must do this by the appropriate deadline. Any applications or changes to preferences received after this deadline will be processed at a later date. If you are applying for an out county school, they may have a different deadline date for accepting changes.

If your child moves after this deadline, but before national offer day, we will use your new address initially for correspondence purposes only. Once the offer day has passed and we have received appropriate proof, we will update your child's residence address.

We will not take into consideration an intention to move except for armed forces personnel. Please contact us to discuss what information is required.

## School transport

If school transport is an important factor when choosing a school, please contact the School Transport Eligibility Team at [schooltransportapplications@lincolnshire.gov.uk](mailto:schooltransportapplications@lincolnshire.gov.uk). They will be able to advise you as to transport eligibility and your designated transport area school(s). For further information the School/College Transport Policy guide is available on our website at [www.lincolnshire.gov.uk/directory-record/61709/school-and-college-transport-policy](http://www.lincolnshire.gov.uk/directory-record/61709/school-and-college-transport-policy).

The school transport policy and school admissions policy use different measurements to define the closest school. You should consider this when deciding in which order to list schools. It cannot be assumed that transport will be provided if you do not qualify against the policy.

Briefly, a transport eligibility may be approved if you:

- live within the boundary of the designated transport area of a school
- choose a nearer school, but the distance between your home address and the school meets the distance criterion.

The distance criteria between your home address and school are:

- primary schools - more than two miles (3,218 metres)

Distances are measured by the shortest walking and driving routes.

We do not provide transport to nursery schools or early years providers. Children become eligible for free school transport in the year in which they are five and provided they meet the conditions of the home to school transport policy.

## **Oversubscription criteria**

Schools have different oversubscription criteria. Some may need additional information to consider your application correctly. They will usually have a supplementary information form (SIF) if they need to collect more information.

## **Looked after and previously looked after children**

All schools prioritise looked after or previously looked after children. If your child is looked after or previously looked after by the local authority, you must indicate this on your application form. We may need further evidence. This criterion includes those adopted from state care outside of England.

## **Medical and social reasons**

Some schools consider medical or social reasons to attend a school. If you wish to apply under these grounds, you must state this on your application. Please see the school's full admissions policy or contact the relevant school for further information. You may need to complete a supplementary form.

## **Siblings**

The majority of schools choose to give priority to children who have a sibling connection with their school. A sibling is usually a brother or sister; however, schools have their own definition. A school's admission policy will define if this means full, half, or step-siblings.

A school will also state if the sibling:

- must be attending the school when the child is due to start, or
- only needs to be attending at the time you apply

Some schools also give priority to children who previously had siblings attending their school.

If you are applying because your child has a sibling attending a school, you need to indicate this. Include the name of the sibling on the application form.

## **Religion**

Some schools give priority in their oversubscription criteria based on faith. If they do, it is stated in their oversubscription criteria. When applying to a school on faith grounds, you must say this on your application. You may need to complete an additional form, which you must obtain from the school.

## Distance

Most schools have an element of distance within their oversubscription criteria. If you have non-traditional living arrangements, you may wish to contact us for advice before making your application. We may need evidence that your child lives at a particular address or how residency is split if the child resides between two or more homes.

To calculate distance, we use an electronic measuring system. We measure in most cases from the post office address point of your home to the post office address point of the school. These are not the same as postcodes and are individual to each property. Distance is measured in a straight line for most schools and calculated to three decimal places, for example, 1.256 miles.

## Designated transport area

Lincolnshire has been divided into designated transport areas (DTA). Some schools choose to give priority in their oversubscription criteria to children who live within their DTA. To find your DTA school, contact us on 01522 782020 or email [schooltransportapplications@lincolnshire.gov.uk](mailto:schooltransportapplications@lincolnshire.gov.uk).

## Nearest school

Some schools prioritise children where a school is the closest to their home address. You do not need to send supporting evidence of this. To find the school is closest to your home address, you can use the search tool at [www.lincolnshire.gov.uk/find-nearest-school](http://www.lincolnshire.gov.uk/find-nearest-school) or contact us.

## Other reasons

If you have other supporting reasons, email us or send a supporting letter. For example, the child is of a staff member and the school's policy takes this into account.

## Linked infant and junior schools

Some junior schools prioritise children with a sibling at a linked infant school. This will be stated in the oversubscription criteria in the school's admissions policy.

For a sibling to be taken into account when considering the application, you must name the sibling on your application.

Children usually transfer to these junior schools when they attend a particular infant school. Transfer is not automatic; you must still apply.

## **Transferring schools**

### **In-year applications**

If you want to move your child to another school, you must submit an in-year application. In-year applications can be made online at [www.lincolnshire.gov.uk/parentportal](http://www.lincolnshire.gov.uk/parentportal), or you can request a paper application by contacting us at [schooladmissions@lincolnshire.gov.uk](mailto:schooladmissions@lincolnshire.gov.uk) or telephone: 01522 782030.

Schools typically only hold places six school weeks in advance of a place being required.

More information on how to apply to move school is available on our website at: [www.lincolnshire.gov.uk/schooladmissions](http://www.lincolnshire.gov.uk/schooladmissions).

For primary schools, if your current school is further than five miles from your home address, we will find a school place if none of your preferred schools can offer one.

Where we find a school place for you, it will be the closest school to the home address with spaces available. We use the Fair Access Protocol if no school can offer a place. The Protocol is published on our website or is available on request.

Headteachers must not ask a pupil to find a new school to avoid permanent exclusion. If this is the reason for your in-year application, email [midyearadmissions@lincolnshire.gov.uk](mailto:midyearadmissions@lincolnshire.gov.uk) or phone 01522 782030.

### **In year admissions**

Parents can apply:

- Online at [www.lincolnshire.gov.uk/school-admissions/apply-school/2](http://www.lincolnshire.gov.uk/school-admissions/apply-school/2)
- by requesting a paper application form
- directly to the school

In all cases where a place is refused at a school, we will inform the applicant of their right of appeal to an independent panel.

## **Admission of children outside age group**

You may seek a place for your child outside their normal age group, for example:

- if your child is gifted and talented
- your child has experienced problems such as ill health

If you wish to make this request, please get in touch with us at [outofcohortadmissions@lincolnshire.gov.uk](mailto:outofcohortadmissions@lincolnshire.gov.uk) for guidance on how to start this process.

The school admission authority decides which year group a child should be admitted to. The decision will be based on:

- the circumstances of the case
- the best interests of the child concerned

There is no statutory barrier to admitting children outside their normal age group. Parents do not have the right to insist that their child be admitted outside of their age group.

The admissions authority must take account of:

- parent and carer views
- available information about the child's academic, social and emotional development
- where relevant, their medical history and the views of a medical professional
- whether the child has previously been educated out of their normal age group
- evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely
- the views of the headteacher
- what the impact would be of entering Year 1 without first having completed reception year (where relevant)

You may wish to contact the schools to which you would like to request an out-of-cohort place before applying. Headteachers at these schools are advised not to offer a letter of support regarding a particular applicant unless they know the child in an educational setting. Their opinion will be sought as part of the request process as outlined in the School Admissions Code (2021). The headteacher does not make decisions on these requests.

To make a request you should complete the out of cohort enquiry form on our website at [www.lincolnshire.gov.uk/school-admissions/apply-school/7](http://www.lincolnshire.gov.uk/school-admissions/apply-school/7)

## **School offers, revised applications and appeals**

### **School offers**

You will receive your school offer via email if you applied online. If you applied by paper form or telephone, we will write to you.

If we receive your application on time, you will be sent your offer on:

- 16 April 2026

If you apply by paper form, we will post your offer on the same dates. We are unable to give out details over the phone.

If your application is late, we will process it by the following date:

- 29 May 2026

If none of your preferred schools can offer a place and you live in Lincolnshire, we will offer the nearest school to your home address with an available place in your child's year group.

If we cannot offer your child a school and you do not live in Lincolnshire, your home local authority will be responsible for offering your child a place at an alternative school.

### **Reserve lists**

If you are refused a place for intake admissions at a Lincolnshire school, your child is automatically put on the reserve list. This is unless you have been offered a higher preference. For example, if your second preference is offered, your child will be on the reserve list for your first preference school.

We will notify you if a place becomes available for your child from a school's reserve list. Schools must keep a reserve list until the end of the autumn term; some may keep it longer. You should contact the school for further details or look in their admissions policy.

### **Revised applications**

We advise that you do not decline your school offer because you might not get a place at your revised choices.

If you wish to change your application, you can submit a revised application to amend your preferences. You can only make a revised application after receiving an offer of a school place.

We must receive your revised application by:

- 16 May 2026

We will inform you of the outcome by:

- The end of the week commencing 25 May 2026

Revised applications received after this deadline will be processed on a weekly basis.

You need to name any schools you wish to be considered for on the revised application. For the schools that could not offer a place, your child will not remain on the reserve list unless you list them again on your new revised application. If a place can be offered at a school named on your revised application, your previous offer will be withdrawn.

## **Withdrawal of an offer**

Once we have made an offer, we can consider withdrawing the place in the following cases:

- where a fraudulent or intentionally misleading application has been made to obtain a place at an oversubscribed school
- where you do not respond to our offer or any of our follow-up letter
- where an error has been made

If an offer is withdrawn, we will notify you of your right of appeal.

## **Appeals**

You have the right to appeal if a school you have named on your application has refused a place. Information on how to appeal a school place decision is available on our website at [www.lincolnshire.gov.uk/school-admissions/appeal-school-place](http://www.lincolnshire.gov.uk/school-admissions/appeal-school-place) and will be provided when you receive your offer of a school place. All admission authorities must post their appeals timetable on their website by 28 February each year.

An appeals panel is made up of up of three volunteers who are independent of the school and local authority. This panel will decide whether:

- the school's admissions policy is lawful and has been correctly applied
- the school would be negatively affected by having an additional student in the year group

If they believe there would be a negative impact, they will then consider the effect on the school and your child. They will then decide which would have the greater impact.

The panel's decision is binding and can only be overturned in a court of law. If unsuccessful, you can only appeal again for the same school for the same academic year if there has been a significant change in relevant circumstances, for example, if you have moved address.

If you are appealing for a place in reception, Year 1 or Year 2 and the school is organized in classes of 30 with a single teacher, you should read the advice we send very carefully. There are very limited reasons why such an appeal can be successful, and we have a duty to inform you of this.

## Free school meals

School meals contribute to the development of good food habits. Eating a healthy balanced diet has proven benefits for health and concentration. School meals can have significant benefits both for individual children and for the broader life of the school.

The correct balance of food groups in the mandatory school food standards is intended to:

- help healthy eating habits
- ensure that children get the energy and nutrition they need across the whole school day

It is also very important for food to look good, taste delicious and be served in a pleasant environment.

More information about school food standards is published on the government's website. Please contact your child's school for information on menus, school catering and how to order meals.

You can apply for free school meals online at [www.lincolnshire.gov.uk/parentportal](http://www.lincolnshire.gov.uk/parentportal), or contact your child's school for further information.

All children in Reception to Y2 receive a universal free school meal. Free milk is provided in our nursery schools and nursery classes.

If your child is eligible and registered for a free school meal, their school receives a pupil premium funding allocation. This is set by the government and can be spent on additional resources to help support your child.

## Attendance and complaints

### School attendance

Attendance at school is vital to your child achieving good outcomes. Absence during term time is not expected unless your child is ill. Other absences during term time would need to be proven as an exceptional circumstance, including holidays. There is further information on school attendance on our website, or you can contact your child's school.

### Complaints procedures

All school staff are required to give their pupils the best possible education. They must care properly for their health, safety and welfare at all times. If you have concerns or want to make a comment or complaint, you should talk to the headteacher in the first instance.

Our website has a comments and feedback page where you can find further information on complaints and comments. Alternatively, you can:

- email: [customerrelationsteam@lincolnshire.gov.uk](mailto:customerrelationsteam@lincolnshire.gov.uk)

- write to: Customer Relations Team  
Lincolnshire County Council  
County Offices  
Newland  
Lincoln  
LN1 1YL
- telephone: 01522 843322

If the school is an academy, you should speak directly to the school.

## **Admission arrangements for Community and Voluntary Controlled Primary, Infant and Junior schools 2026-2027**

We are the admissions authority for these schools. You can view the published admissions number (PAN) of each school at [www.lincolnshire.gov.uk/find-school](http://www.lincolnshire.gov.uk/find-school)

We will make arrangements for applications for places in the normal year of intake (reception in primary and infant schools and year 3 in junior schools) in accordance with our co-ordinated admission arrangements.

Lincolnshire residents can apply:

- online via [www.lincolnshire.gov.uk/school-admissions/apply-school/2](http://www.lincolnshire.gov.uk/school-admissions/apply-school/2)
- by telephone
- by requesting a paper application

Residents in other areas must apply through their home local authority. and voluntary controlled schools will use the Lincolnshire County Council's co-ordinated scheme published online for these applications and the relevant Local Authority will make the offers of places on our behalf as required by the School Admissions Code (2021).

The allocation of places for children with an Education, Health and Care Plan (EHCP) (where the school is named on the plan) will take place first. Remaining places will be allocated in accordance with this policy.

Attending a nursery or a pre-school does not give any priority within the oversubscription criteria for a place in a school. Parents must make a separate application for the transfer from a nursery to a primary or infant school. Parents must also make a separate application for the transfer from an infant to a junior or primary school.

## **Oversubscription criteria**

The oversubscription criteria are listed in the order we apply them. If it is necessary to distinguish between more than one applicant under any criteria, the next criteria will be applied until the tiebreaker is used.

Definitions of terms indicated by numbers:

Criterion	Description	Notes
A	Looked after children and previously looked after children	See note 1
B	Children with a sibling attending the school at the time of application, or who will be attending the school at the expected time of admission	See note 2a and 2b. In the case of infant and junior schools, the associated school will be considered as 'attending the school' for the purposes of this category as outlined in note 2b.
C	Children for whom this school is the nearest school to their home address	See note 3a, 3b and 4.
D	Church criterion where in operation	See note 5.
E	Distance of the home address to the school. Places will be allocated to those living nearest the school first.	Measured by straight line distance.  See note 3b and 4.

## Tiebreaker

If it is not possible to distinguish between one or more applicants for the last remaining place(s) then a lottery of those students will be drawn by an independent person. This person will not be employed by the school or working in the local authority children's services directorate.

## Notes relating to the oversubscription criteria

1) Looked after and previously looked after children.

A 'looked after child' is a child who is:

(a) in the care of a local authority, or

(b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under:

- the Adoption Act 1976 (see section 12 adoption orders)
- the Adoption and Children's Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014

Child arrangements orders replace residence orders. Any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

This also includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

## 2a) Sibling

Included in this criterion are:

- a brother or sister who share the same biological parents
- a half-sibling or step sibling
- a legally adopted child, a child legally adopted by a biological or stepparent

In all cases both children must live at the same address.

## 2b) Associated infant and junior school links

Sibling links across certain infant and junior schools are taken into account. These schools are:

<b>Infant school</b>	<b>Associated junior school</b>
Holton-Le-Clay Infants' School	Holton-Le-Clay Junior School
Lincoln St Faith's Church of England Infant School	Lincoln St Faith and St Martin Church of England Junior School
Lincoln St Peter in Eastgate Church of England Infants' School	Lincoln Westgate Academy
Lincoln Woodlands Infant and Nursery School	Lincoln Birchwood Junior School
Louth Eastfield Infants' and Nursery School	Louth Lacey Gardens Junior School
Marshchapel Infant School	Grainthorpe Junior School

### 3a) Nearest school

Our school admissions team use an IT system called Synergy. They find the nearest school by measuring the straight-line distance from the child's home address to all state funded mainstream schools admitting children in the relevant year group.

Distances are calculated to three decimal places (for example 1.543 miles). We take information about the address used for each application from the Ordnance Survey AddressBase database. This provides 12-figure X and Y coordinates for each individual property.

You can find out your nearest school at [www.lincolnshire.gov.uk/find-nearest-school](http://www.lincolnshire.gov.uk/find-nearest-school).

### 3b) Home address

The home address is the address where the child lives for the majority of term time with a parent (as defined in section 576 of the Education Act 1996).

Where a child lives normally during the school week with more than one parent at different addresses, the home address accepted for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at two addresses during school term time, they can choose which address to use on the application.

If a parent has more than one home, we will accept the address where the parent and child normally live for the majority of the school term time as the home address.

We do not take into an account an intention to move when considering a home address unless this is for members of the UK Armed Forces or a returning Crown Servant. This is outlined in the relevant section.

### 4) Distance criterion

Our school admissions team use an IT system called Synergy. They find the nearest school by measuring the straight-line distance from the child's home address to all state funded mainstream schools admitting children in the relevant year group.

Distances are calculated to three decimal places (for example 1.543 miles). We take information about the address used for each application from the Ordnance Survey AddressBase database. This provides 12-figure X and Y coordinates for each individual property.

### 5) Church criterion

The following table shows the schools where church criterion is in operation. It gives the local details of how parents can apply for priority on these grounds.

Parents applying on these grounds must state on their application form that they wish to be considered under this priority. Attendance at worship must be verified by a signed letter from an officiating minister at the place of worship. Schools will verify claims for priority on this ground by contacting parents for details of the person who can provide written confirmation that they meet the eligibility for priority.

If you have recently moved to the area the school can also consider written evidence of an equivalent commitment to a place of worship at your previous address, provided you have started to worship in the area you have moved to.

School name	Voluntary controlled schools' church criteria
Barrowby Church of England Primary School	<p>Priority will be given to children of:</p> <ol style="list-style-type: none"> <li>1. Regular worshippers at the local Parish Church of All Saints Barrowby.</li> <li>2. Regular worshippers at Barrowby Baptist Fellowship.</li> </ol> <p>Regular is defined as at least once a month at the place of worship for at least a year by the date of application. This will be verified by a signed letter from an officiating minister at the place of worship.</p>
Louth St Michael's Church of England Primary School	<p>Priority will be given to children of regular worshippers at a local Christian church which is a member of 'Churches Together in Louth and District'. These are: St. James Parish Church, St. Michael's and All Angels, Holy Trinity, Stewton, Welton-le-Wold and South Elkington, Louth Methodist Church, South Elkington Methodist Church, Salvation Army, Louth Generations Church, Eastgate Union (URC Baptist), St. Atelheards (Orthodox) and St. Mary's (Catholic).</p> <p>Regular is defined as at least monthly attendance at the place of worship for at least a year before making your application. This will be verified by a signed letter from an officiating minister at the place of worship.</p>
Skellingthorpe St Lawrence Church of England Primary School	<p>Priority will be given to children of regular worshippers in a Christian church. Regular will be defined as at least once a month at the place of worship for at least a year before making your application. This will be verified by a signed letter from an officiating minister at the place of worship.</p> <p>A "Christian church" is defined as a church that subscribes to the Christian doctrine of the Holy Trinity.</p>

For all schools above, if the church has been closed for public worship during the period specified for attendance and has not provided alternative premises for that worship, the requirements of these admission arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available.

## Other information

### Twins and other siblings from a multiple birth

If twins or other multiple birth children are split by operation of the oversubscription criteria, the school will admit all children unless this would:

- make the class too large.
- prejudice the education of the other children.

Multiple birth children are 'excepted pupils' to infant class limits if allocated in this way.

### Brothers and sisters in the same year group

If brothers and sisters in the same year group are split by operation of the oversubscription

criteria, the school accommodates all children unless this would:

- make the class too large
- prejudice the education of the other children
- breach infant class size limits

Siblings in the same year group are not 'excepted pupils' to infant class limits.

## **Reserve list**

For admission into the intake years (reception at infant and primary schools, year 3 at junior schools) where the school is oversubscribed the governors will keep a waiting list. This is called a reserve list. If your child is refused a place at a school, they are automatically added to the reserve list of the school, unless you have been offered a higher preference school. This list is held in accordance with the oversubscription criteria. No account is taken of the amount of time a child has been on the list when allocating places.

All community and voluntary controlled schools keep reserve lists for all oversubscribed year groups. For intake years the list is kept by the school admissions team until the end of August of the admitting year. It is then passed to the schools. They will keep the list to the end of the school year. Schools will clear the reserve list at the end of each school year.

You should contact the school directly if you wish your child to be placed on the reserve list:

- after August of the admitting year or
- after the list has been cleared at the end of the year

If your circumstances change you must let the school know so that they can rank the list accurately and allocate places in accordance with the oversubscription criteria. If you do not wish to be added to the reserve list, you must inform the school. If it is before 1 September of the admitting year, you should also inform the school admissions team.

## **Fair access protocol**

The Fair Access Protocol ensures that unplaced children, especially the most vulnerable, are offered a place quickly when applying outside the main admissions round. This ensures the amount of time any child is out of school is kept to the minimum. Governing Bodies of voluntary controlled and maintained schools (on behalf of Lincolnshire County Council as the admissions authority) will participate in our Fair Access Protocol (FAP) adopted by Lincolnshire County Council. Children allocated under the Fair Access Protocol will take precedence over children on a reserve list. This is available to view in full at [www.lincolnshire.gov.uk/directory-record/63863/fair-access-protocol](http://www.lincolnshire.gov.uk/directory-record/63863/fair-access-protocol).

## **Fraudulent or misleading applications**

As an admission authority, we have the right to investigate any concerns we may have about an application and to withdraw the offer of a place if we consider there is evidence that an application has been made based on fraudulent or misleading information. For example, if a false address was given which denied a place to a child with a stronger claim. We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.

## Appeals

In all cases where a place is refused at a school:

- we will inform the applicant of their right of appeal to an independent panel.
- the decision of the independent panel is binding on all parties.
- we will provide details of how to appeal a decision to refuse admission at the time of the refusal.
- Details of how to appeal will also be available at [www.lincolnshire.gov.uk/school-admissions/appeal-school-place/2](http://www.lincolnshire.gov.uk/school-admissions/appeal-school-place/2)

## Children of UK service personnel (UK armed forces)

In order to support the military covenant aimed at removing disadvantage for UK service personnel (UK armed forces), and Crown servants returning from abroad, the following arrangements will apply:

- If an application is supported by an official letter declaring a posting and a relocation date, then an intention to move to a confirmed address or quartering within the UK will be accepted for a child for the purposes of implementing the oversubscription criteria.
- Where an application is not supported by an official letter declaring a posting and relocation date or is not being made due to a new posting, then the child's current address will be used to examine the application against the oversubscription criteria until the child is formally resident in the new address.
- Proof of intended occupation of the residential address will be required, such as:
  - mortgage statement
  - exchange of contracts
  - signed tenancy agreement

For applicants participating in the Future Accommodation Model trial, a letter accepting an address under the scheme will be accepted if a signed tenancy agreement cannot be provided.

- An offer may be withdrawn if a child does not reside at the address listed on the application form if the school is oversubscribed and use of an incorrect address has resulted in a place being denied to another child who would otherwise have been offered the place.
- If a family have provided the required proof of posting, a unit postal address will be accepted for the purposes of operating the oversubscription criteria if parents are unable to provide an address or prefer to use the unit address. This unit will be the base to which the parent has been posted.

In all cases where an applicant is considered after national offer day of the admitting year

and parents can demonstrate that the child is a child of a crown servant returning from abroad or is a child of a serving member of the armed forces, the governors will consider whether to offer a place at a school even if the school is full. When making the decision whether to offer the governors will consider the circumstances of each case including

- If the applicant would have been offered a place, had they applied on time in the admissions round of the year of entry
- Whether there is any child on the reserve list with higher priority under the oversubscription criteria
- Whether admission of a further student would prejudice the efficient education and efficient use of resources and this prejudice would be excessive

The Governors have discretion to offer in these circumstances, but they are not obliged to do so. If a place is refused, parents will be informed of their right of appeal.

### **Deferring admission and part time attendance**

Schools provide for the admission of all children in the September following their fourth birthday. Where a child has been offered a place:

- that child is entitled to a full-time place in the September following their fourth birthday.
- the child's parents can defer the date their child is admitted to the school until later in the school year but not beyond:
  - the point at which they reach compulsory school age.
  - the beginning of the final term of the school year for which it was made, whichever is the sooner.
- where the parents wish, children may attend part-time but not beyond the point at which they reach compulsory school age.
- parents interested in deferring admission or arranging part-time attendance should contact the school to discuss this.
- parents of summer born children deferring admission until the child starts Year 1 must reapply through the in-year process. They risk losing the offered school place if the school is oversubscribed or becomes oversubscribed in the school year.

### **Admission of children outside of their normal age group**

Children are typically allocated places according to their chronological age. However, parents may seek a place for their child outside their normal age group, for example:

- if the child is gifted and talented or
- the child has experienced issues such as ill health.

In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday. They may request that they are admitted out of their normal age group – to reception rather than year 1. Parents wishing to make these requests should contact their home local authority for guidance on the procedure to follow.

It is important for parents to note that they will have the opportunity and responsibility to

provide whatever evidence they wish to support their request.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned taking into account:

- the parent's views.
- any available information about the child's academic, social and emotional development
- where relevant, the child's medical history and the views of a medical professional
- whether the child has previously been educated out of their normal age group
- any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely.
- the views of the head teacher of the school concerned.
- If the child enters school for the first time at statutory school age, would it be in the child's best interest to join Reception or Year 1

You can make a request regarding an out of cohort admission at [www.lincolnshire.gov.uk/school-admissions/apply-school/7](http://www.lincolnshire.gov.uk/school-admissions/apply-school/7).

We will inform parents and carers of the decision in writing setting out clearly the reasons for the decision. In the case of those requesting delayed admission, if this is agreed, the parents and carers must decide whether to:

- withdraw their application and apply in the next admissions round or
- proceed with an offer with children of their chronological age

If the request is refused, parents must decide whether to:

- accept the offered place for Reception in the typical age group or
- refuse it and make an in-year application for Year 1 in the summer term.

**Determined 28 February 2025**

This booklet contains below a summary of the oversubscription criteria for Lincolnshire Foundation and Aided schools and Academies. Definitions used may differ from school to school. All schools admit children who name the school in a child's Education, Health Care Plan (EHCP) before use of the oversubscription criteria. You should check the school's full admission policy for definitions of key terms such as 'sibling' or 'home address' to ensure that your application is processed correctly. The full admissions policy for each school can be found at [www.lincolnshire.gov.uk/directory/31/find-a-school](http://www.lincolnshire.gov.uk/directory/31/find-a-school) or on the school's website. You can contact the school or local authority directly for a paper copy if you do not have access to the internet.

#### **Barkston and Syston Church of England Primary School**

- A. Looked after or previously looked after children
- B. Children with a brother or sister attending the school at the time of application, or who will still be attending the school at the expected time of admission.
- C. Children for whom this school is the nearest school to the home address.
- D. Distance of the home address to the school. Places will be allocated to those living nearest the school first measured by straight line distance.

The tie-break will be by straight line distance. The child living closer to the school will be offered. If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Bassingham Primary School**

- A. Looked after children and all previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- C. Nearest School: measured by straight line distance.
- D. Increasing order of straight line distance.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be drawn by an independent person, not employed by the school or working for the Aspire Schools Trust.

### **Billingborough Primary School**

- A. Looked after children and all previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. The school is the nearest one to the home address by straight line distance.
- D. Straight line distance from home to the school, priority given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

### **Blyton Cum Laughton Church of England Primary School**

- A. Looked after children and previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted
- B. There is a sibling who will still be attending the school when the child is due to start.
- C. Children who live within a radius of 1.5 miles of either of the school sites, measured in a straight line.
- D. Home to school distance as measured by straight line distance from a central point between the two sites.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

### **Boston Carlton Road Academy**

- E. Looked after children and all previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- F. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- G. The school is the nearest one to the home address by straight line distance.
- H. Straight line distance from home to the school, priority given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

### **Boston Park Academy**

- A. Looked after children and all previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. There is a brother or sister at the school who will still be attending when the child is due to start, or on roll at the school at the time of application.
- C. Nearest School: measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston Pioneers' Academy**

- A. Looked after children and all previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. Nearest School: measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston Saint Mary's Catholic Primary School**

First priority in all categories will be given to siblings, that is children who will have brothers or sisters attending the school at the proposed time of admission.

- A. Catholic looked after or previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. Catholic children living in the parishes served by the school.
- C. Catholic children living outside the parishes served by the school.
- D. Other looked after or previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- E. Catechumens, Candidates and members of Eastern Christian Churches
- F. Children of other Christian denominations whose membership is evidenced by a minister of religion.
- G. Children of other faiths whose membership is evidenced by a religious leader
- H. Any other children not within categories A-G.

Parish boundaries are as shown on the map available on the school website.

If any of the categories are oversubscribed the tie break will be straight-line distance measured from the home to the school, priority given to those living closest. If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston St Nicholas CE Primary Academy**

- A. Looked after children and previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- C. Nearest school; measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living nearest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston St Thomas' CE Primary Academy**

- A. Looked after children and previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission
- C. Nearest school; measured by straight line distance.
- D. Straight line distance from home to the academy, priority will be given to the child living closest

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston Staniland Academy**

- A. Looked after children and all previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. Nearest school; measured by straight line distance
- D. Straight line distance from home to the academy, priority will be given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston Tower Road Academy**

- A. The child is in the care of the local authority or has previously been in the care of the local authority and has been adopted or become subject to a residence order or special guardianship order including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A brother or sister on roll at the time of application.
- C. Children of staff members employed at the school.
- D. The school is the nearest one to the home address by straight line distance.
- E. The straight-line distance from home to the academy, priority given to those living nearest.

If the distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

#### **Boston West Academy**

- A. Looked after or previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

- B. A brother or sister attending the school at the time of application.
- C. Nearest School: measured by straight line distance
- D. Increasing order of straight line distance.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

**Bourne Abbey Church of England Primary Academy**

- A. Looked After Children and Previously Looked After Children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- B. A sister or brother on roll at the school at the time of application.
- C. The child is the child of a member of staff who has been employed at the school for two or more years at the time at which the application for admission to the school is made or is recruited to fill a vacant post for which there is a demonstrable skill shortage
- D. The school is the nearest one to the home address by straight line distance.
- E. Straight line distance from home to the school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

**Bourne Elsea Park C of E Primary Academy**

- A. Looked after or previously looked after children, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
